

48th IPS NATIONAL CONFERENCE

NAGPUR
3rd -6th Dec 2020

Dear Delegate,

Greetings from 48th IPS National Virtual Conference 2020!

We look forward to virtually welcoming you to the 48th IPS Conference 2020 scheduled to be live on **3rd to 6th December 2020**.

Kindly find attached **conference schedule** with this mail.

For your smooth and meaningful visit to the 48th IPS Conference 2020, please note the following information:

Category 1: ATTENDING CONFERENCE SESSIONS including PRE-CONFERENCE COURSE AS A DELEGATE

To attend the conference as **Delegate**, your Log-In details will be:

<p>Delegate Link (to view/visit conference as attendee)</p>	<p>http://48thips2020.vamaevents.live</p>
<p>Log-In Email ID</p>	<p><Your registered Email ID></p>

Once you are logged in, proceed to enter the Hall, please click on the PLAY button appearing on the screen to view the on-going Session Live as a **Delegate**.

If you are viewing the conference on your Mobile phone, please switch the Auto-Rotate button **ON**.

For a better viewing experience please choose GOOGLE CHROME. If in case the image / video that you see is a bit blurred, then click on the **star shaped settings button on the video screen and change the video quality to 720p or 1080p which the are highest.**

From **3rd to 6th December 2020**, you may log in at **09:00 hrs (IST)** onwards to visit **Conference Halls** for attending the **Sessions & Exhibition hall** for your trade meetings.

Note: For PCC if you have registered for a specific course, you will receive a specific link form which you can login directly. In case you have not registered, you can still attend PCC of your choice by login in to conference platform as a delegate but you will be able to interact only via 'Chat' option.

In case pf any query regarding conference registration please contact
Dr Sattyam: 9423421428

In case pf any query regarding PCC please contact
Dr Anuj Chandak: 9158192345

Category 2: ATTENDING CONFERENCE AS GUEST FACULTY/CHAIRPERSON/ PRESENTER

There are 2 ways of entering a hall as a presenter.

Option 1:

For your **Scientific Presentation** or to **Chair** a session as per your allotted date and time in specific hall, please use link that has been **communicated to you personally** by the scientific committee to join in.

Please Join in with your name so that it is easy for organizers to identify and allow you to enter the session.

After logging in, Our Session Master will quickly guide you to test your technical PC requirements before going live in the session as a presenter or chairperson as per your scheduled agenda.

You are requested to join the link 15 minutes before your session starts. You will be joining in as an attendee by default and our Hall moderators will promote you as a Panelists/Presenter 10 mins before your scheduled commitment.

We have also attached the Virtual background, which you may prefer to use while making a presentation during your session (Optional).

Once your commitments are done you can leave the zoom link and view the conference proceedings with the below information as a delegate.

Option 2: You can also use **Presenter's Lounge** on the conference platform to login. Please select your session hall and click to enter. Then you need to enter the meeting ID shared on your mail specific to that session.

In case of any queries related to scientific sessions please contact:
Dr Rajlakshmi Banerjee : 91 8767578909

For our conference app : 48th IPSCON 2020

user name: your registered email address

password: registered mobile no

you can use the app to ask questions to speakers and once the conference is over you can download e-souvenir, certificates from the same using login credentials.

Once the conference lectures are delivered, they will be archived in respective halls and available for viewing till 8th Dec 2020.

The e-posters and table clinic gallery are also available on the platform for viewing.

In case of any difficulty in log-in, or in accessing 48th IPS Conference 2020, you may kindly contact our technical support team on below numbers:
